

Top 10 Pilot Errors

It's sad, but true! In an average year, approximately 80% of all accidents are caused by PILOT ERROR. The worst part is that pilots continue to make the same mistakes! Although these errors may move up or down the ladder, the list has remained the same for decades.

Directions: Please consult Map Link below. From main floor, go up stairs to top floor (tower) conference room.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
